In consideration of this application and the attached forms being made a part thereof, and the issuance of all applicable permits, I/We will comply with the regulations set forth in the Village of Caseyville, Illinois Development Code. I/We also agree that all work performed under said permit will be in accordance with said Development Code. I/We understand that a minimum of a 4 inch sewer line and a minimum of 100 Amp electrical service is required. To the best of my knowledge all plans, plot plans, specifications and other documentation which accompany this application comply with the Development Code. I/We further understand that a Certificate of Zoning Compliance must be issued before the structure may be occupied. Attach contractor identification to this form. I certify by my signature that I have read and understand the requirements set forth.
